

**HELLO!**

Thank you for your purchase.

Below you find everything you need to edit your resume template.

### HOW DO I EDIT THE FILES?

By opening the link to the Google Doc in your browser, you see a view-only version.

Click 'File' – 'Make a copy...' to duplicate the file to your own Google Drive. This creates a version that you can edit and make your own.

### I HAVE ANOTHER QUESTION

Please get in touch, I'm here to help you.
